Dear MTA,

The MUNA neighborhood association would like to submit our request for improvements to our neighborhood to address the issues resulting from street design on 17<sup>th</sup>, San Bruno and Vermont streets.

There have been numerous accidents and near accidents at the Mariposa-San Bruno intersection and at 17<sup>th</sup> and San Bruno. We feel that the improvements we have suggested will make the situation better.

Please let us know if we can help in any way.

Sincerely,

Jean Bogiages, MUNA chair

Karin Bauer, MUNA

Speeding                       Cut-through traffic                       Frequent crashes  
 Exhibition Driving (such as "donuts")                       Other (please explain) Blind Intersection

Are there specific streets that you would like to make safer? If so, please list them.

Corner of Mariposa Street and San Bruno Avenue and San Bruno and 17<sup>th</sup> Street

What concerns you about these locations?

Do you have suggestions on how to improve your area?

Install speed bumps or digouts before corner at Mariposa and San Bruno.  
Add a speed limit sign on San Bruno right before the corner of Mariposa.  
Convert parallel to perpendicular or diagonal parking on San Bruno from 17<sup>th</sup> Street south 180 feet, east side.  
Eliminate parking on the east side of San Bruno where the street narrows.  
Add a "bulls-eye" mirror on the blind corner at San Bruno and Mariposa.  
Add stop signs at 17<sup>th</sup> and San Bruno going east and west.
